You are Invited to Celebrate 30 Years of the Metropolitan Housing Coalition!
The Metropolitan Housing Coalition (MHC), with our event partner Mile Wide Beer Co., invite you to join MHC for our 30th Anniversary Birthday Bash on September 12, 2019 at Mile Wide Beer Co. (636 Barret Ave., Louisville, KY 40204) from 6:00 - 9:00 P.M. We will be celebrating 30 years of housing advocacy work, creating awareness for fair and affordable housing in the Louisville community, and inviting you to participate in MHC's Give For Good Louisville fundraiser. LIVE music starts are 6:30 P.M. and MHC will provide birthday cake to all who attend. There are no cover charges to attend, but we ask that you consider a donation to support MHC's Give For Good Louisville campaign.

Mile Wide Beer Co. is donating a portion of the proceeds from their core beer sales for the evening. Enjoy a Brabble (Blonde Ale); Idlewild (Session IPA); Leroy (American Brown Ale); Kapowski (Amber Ale); or McPoyle (Nitro Milk Stout) and support MHC’s mission!

What is Complete Streets and why do we need this policy?

Complete Streets is a term describing roads that allow safe and convenient travel for everyone who uses them and for all modes of transportation. These streets have crosswalks, accessible sidewalks, and bicycle lanes that make it easy to walk to the store, bike to work, or cross the street to and from a bus stop. Complete streets policies require that every future road construction and reconstruction project makes a street safe and comfortable for all users-kids, families, older adults, or people with disabilities-whether they are walking, pushing a stroller, using a wheelchair, riding a bike, driving a car, or taking public transportation. While we have had a Complete Streets policy, it needed updating for best practices.

If you had any doubt that Complete Streets is a fair and affordable housing issue, look at the map below of crashes involving pedestrians or bicyclists. I was stunned at the how much this is an issue of livability in
lower income places. Of course Complete Streets is for everyone and for that reason alone should be updated to improve safety in Louisville.

This has just been passed by the Planning Commission and will be going to Council. Please ask your Council Member to support this updating of the Complete Streets policy. If you want to see MHC’s written remarks to the Planning Commission, just ask Cathy or Tony.
